About Our Jackets

Letterman Athletics jackets are cut, sewn, and inspected by the owners of the company, and we pay special attention to the quality of every jacket. The wool we use in our jackets is the finest quality 24oz Melton Wool. It is a comfortable blend of 80% wool and 20% nylon. The leather we use is genuine cowhide. We can line your jacket using light weight nylon, or a heavier 5.3oz quilt. Each jacket is uniquely made according to customer preference. We give our customers a variety of styles and color options to choose from including collar styles, knit patterns, and material combinations. At Letterman Athletics we make our jackets in the USA and guarantee you the finest Award Jacket available.
